Dear Mr. Wood:

The writer is very sorry not to be able to do the little work required as chairman of the executive committee as he was unfortunately, on one of those hot days, prostrated with heart attack. According to Doctor's orders, I will have to remain at home from four to six weeks. I will be unable to do anything during this period and to my great sorrow, omit the club meetings.

Kindly inform the other members that I will be unable to call a meeting, and if an executive meeting is necessary, I am sure that you will attend to same.

I will communicate with you as soon as I have recovered.

Very truly yours,

JACOB MARX

Dear Mr. Marx:

Your letter came last week when I was away. I am most sorry to hear that you have been laid up. Although we have had some pretty bad weather that it is no wonder it has taken hold of some people. I trust that you will be on your feet soon; and if there is anything that I can do, let me know.

I did go to the Club meeting, and I told the Club that you had been laid up and also spoke to the two other members of the Committee.

With best wishes,

Very truly yours,

Dear Mr. Marx:

Your letter to Mr. Robertson at hand. I have answered Dr. Bilik and had to inform him that none of his pieces were worth really anything above face.

I am sorry that I have to inform you that Mr. Robertson passed away suddenly at his apartment on Friday, January 22nd. His going was not unexpected. We here realized that he would not live through the winter. I think he passed out quickly and quietly.

Very truly yours,
